

How To Buy Ammunition in California

If you **HAVE** purchased a firearm in the last 5 years, we must conduct a **Standard Ammunition Eligibility Check** which is a \$1 background check and takes roughly 5 minutes.

If you **HAVE NOT** purchased a firearm in the last 5 years, we must conduct a **Basic Ammunition Eligibility Check** which is a \$19 background check that may take up to 10 days to come back with a determination. You will have to do this each time you buy ammunition if you do not plan on buying a firearm.

What Documents Are Needed:

We will need a California Real ID with your name and current physical address.

Note: Active Duty Military? We can use your state ID, DOD ID and PCS Orders to California.
